**CINEMA ELECTROL**

- Electric projection screen of professional quality, supplied with an extra high black top border as standard to allow adjustment to the ideal viewing height.
- The high top border makes it ideal for rooms with high ceilings.
- Easy to mount on a wall or ceiling and/or in soffit thanks to the Easy Install system.
- The possibilities offered by Easy Install plug and play make connecting the screen fast and easy. The many Easy Install accessoires are convenient and fast to use.
- The case and the projection screen fabric can be made to exactly the right size and the case and slat bar are available in any colour for optimal integration into any interior.
- The automatic stop employed when extending and retracting the projection screen fabric ensures a long life span.

**CINEMA RF ELECTROL**

- Available with built-in RF module, allowing the screen to be operated using the remote control supplied.
