

PROSCREEN

Professional quality, spring-operated.

- Professional manual projection screen, available with various aspect ratios and screen fabrics.
- The supple spring mechanism allows the projection screen fabric to be extended and retracted quickly and smoothly.
- The screen locks into place at 20 cm intervals for required height adjustment.
- Easy to mount on a wall or ceiling and/or in coving thanks to the Easy Install system.
- The case and the projection screen fabric can be made to exactly the right size and the case and slat bar are available in any colour for optimal integration into any interior.
