Key **Features**

- Built-in Google TV and native Netflix app for seamless streaming entertainment
- 1080p Full HD resolution on up to a 140" large screen
- Enhanced durability with a dust-proof sealed engine design
- Hassle-free setup: auto focus, auto H/V keystone, and auto screen fit
- Built-in Wi-Fi and Bluetooth connectivity

Product **Description**

Indulge in big-screen entertainment without breaking the bank with the ViewSonic LX60HD. This 1080p Full HD projector is equipped with Google TV and a native Netflix app, delivering seamless streaming pleasure on a screen of up to 140 inches without the need for an external dongle. Setting up is a breeze with automatic functions like auto focus for clear images, auto screen fit, and auto obstacle avoidance for hassle-free experience. Additionally, the auto H/V keystone correction and 4-corner adjustment ensure the projected image is always symmetrical, allowing you to achieve perfect images and enjoy your favorite content regardless of the projector's position. With a sealed engine design, it offers enhanced durability against dust and moisture for long-lasting image quality. Enjoy wireless screen mirroring with built-in Wi-Fi and Bluetooth for easy connectivity.
